5. Data storage, quality and security

5.1 Storage

All your personal information is stored securely by us or our third-party information storage providers, including overseas providers in Taiwan, Singapore, Finland, Chile, Belgium, North America, South America, New Zealand, Netherlands, Denmark and Ireland, in either hard copy or electronic form.

5.2 Data security

Storage King strives to ensure the security, integrity and privacy of personal information, and we will take all reasonable steps to protect your personal information from misuse, interference, loss, unauthorised access, modification or disclosure. Storage King reviews and updates (where necessary) our security measures considering current technologies. We take a number of steps to protect the security of your personal information. Depending on the information and other circumstances, those steps may include, security passes for access to our premises, network firewalls, access passwords on our computers and contractual protections where we use service providers to store information for us.

We also have policies and processes which govern document retention and data breach incidents. We endeavour to ensure that personal information is kept as current as possible and that irrelevant or excessive data is deleted or made anonymous as soon as reasonably practicable. However, some personal information may be retained for varying time periods to comply with legal and regulatory obligations and for other legitimate business reasons.

5.4 Online transfer of information

Despite the steps we take to protect the privacy of your personal information, no data transfer over the internet is 100% secure. When you share your personal information with Storage King via an online process, we cannot guarantee the security of that information.

There are ways you can help maintain the privacy of your personal information, including:

always closing your browser when you have finished your user session
always ensuring others cannot access your personal information and emails if you use a public computer, and never disclosing your user name and password to third parties.
6. Use of cookies and Google Analytics

6.1 Google Analytics is used for Display Advertising

A 'cookie' is a small data file placed on your machine or device which lets us identify and interact more effectively with your computer. Cookies do not identify individual users, but they do identify your web requests, ISP (which can be used to locate your general location), browser type, browser language and the date and time of your request.

We use Google Analytics for Display Advertising which use a third-party DoubleClick cookie to collect data about the way you use our website and send various cookies to your browser. This allows us to collect demographical information about you such as your general location and gender. We uses the information which it collects about you so we can customise our website to suit the needs of our users and modify and market our services.

6.2 Remarketing, Display Networking Impression Reporting and Demographics and Interest Reporting

Storage King uses Remarketing with Google Analytics to advertise its services and products online. Third party vendors, such as Google, show Storage King's ads on internet sites and use first-party cookies and third-party cookies to load ads based on your prior visits to the Storage King website. This allows us to deliver advertising content specifically targeted to the interests you have expressed during those previous visits.

Storage King may use Google Display Networking Impression Reporting to collect and process information about how its services and products are considered by customers online. We and other third-party vendors, including Google, use first-party cookies (such as the Google Analytics cookies) and third-party cookies (such as the DoubleClick cookie) to report about customer impressions of Storage King advertisements, other uses of advertisement services and how interactions with these advertisement impressions and services are related to visits to our site.

Storage King may use Google Analytics Demographics and Interest Reporting to collect and process information about the demographics of its online customers. We will not collect any information via this method which can identify you, but may collect general demographic information including your age, gender, and interests which we may then use to target our advertisement campaigns and enhance our products and services.

6.3 Opting-out and controlling advertising cookies

You can prevent your data from being captured by Google Analytics which is used by us (in the ways outlined above) by opting-out of Google Analytics by downloading and installing the add-on for your web browser located at https://tools.google.com/dlpage/gaoptout/. More information about how we use Google Analytics can be found at https://www.google.com/analytics/terms/us.html.

Additionally, if you do not want information collected through the use of cookies, there is a simple procedure in most browsers that allows you to deny or accept the cookie feature. However, cookies may be necessary to provide you with some features of our on-line services via the Storage King website.

You can re-set your browser to refuse all cookies or to receive a warning message with each cookie which you can then refuse by turning it off in your browser. Your internet service provider should be able to assist you to set your preferences.Unless you provide (or have provided) an e-mail address in the course of a visit to our website, we cannot identify you.

6.4 Social Media

The Website may host various blogs and forums that allow you to share content with other users. Any personal information or other information that you contribute can be read, collected, and used by other users over whom we have little or no control. We are not responsible for any other user’s use, misuse or misappropriation of any personal information or other information that you contribute. You agree that we may use all the information, including customer testimonials and feedback that you post in social media applications including but not limited to Facebook or Twitter for the purposes set out in this privacy policy.

7. Links to other sites

Storage King may provide links to third party websites. These linked sites may not be under our control and Storage King is not responsible for the content or privacy practices employed by those websites. Before disclosing your personal information on any other website, we recommend that you carefully read the terms and conditions of use and privacy statement available on the relevant website.

8. Accessing and amending your personal information

You have a right to access your personal information which Storage King holds about you. If you make a request to access your personal information, we will ask you to verify your identity and specify the information you require.

You can also request an amendment to any of your personal information if you consider that it contains inaccurate information.

You can contact Storage King about any privacy issues as follows:
